PATIENT INTAKE FORM

**CONSENT TO TREATMENT:**

I hereby agree and consent to the performance of acupuncture and other modalities related to Chinese medicine. I understand that such modalities may include acupuncture, moxibustion, cupping, electro-acupuncture, tui-na (Chinese massage) and Chinese herbal medicine.

I am aware that in all acupuncture treatments only sterile, disposable needles are used according to the Clean Needle Technique protocol.

I am aware that acupuncture is a safe method of treatment, but may have some side effects, including bruising, minor swelling, numbness or tingling, dizziness or fainting. A sensation of light-headedness may occur after acupuncture treatment. I will immediately notify the acupuncturist if I experience any symptoms or problems.

I understand that I should not make significant movements while the needles are being inserted, manipulated, retained, or removed.

I am relying on the acupuncturist to exercise judgment during the course of my treatment. I understand that acupuncture and other Oriental Medicine procedures are not substitutes for treatment by my medical doctor. Also, at any given time throughout the treatment, I may request the practitioner to stop, modify or change the treatment plan.

By voluntarily signing below I certify that I have read this entire form, am aware of the risks and benefits of acupuncture and other procedures, and will have an opportunity to ask questions. I intend this consent form to cover the entire course of treatment to be performed for my present condition and for any future condition(s) for which I seek treatment.
